

# OHIO-NORTH STATE REFEREE COMMITTEE

## Referee request for upgrade (To 7A or 6)

Submission of this form to the SRA, initiates the process for a Referee to be considered for an upgrade to grade 7A or 6. The initial declaration should include the top two sections completed (Referee Information and Game Experience). Upon review by the SRA, confirmation shall be provided to proceed and complete the upgrade requirements. The Referee must register, as appropriate, and complete all requirements, tracking completion as per below. When all requirements have been completed, the Referee should submit the completed form to the SRA for review and confirmation by all SRC administrators. The SRA will notify the Referee of status and any fees.
